1. (Unclassified - ABS) LIAISON Called Nora Pers, in the office of Representative Adam Benjamin (D., Ind.), concerning her earlier call to [ ] and suggested she formalize in writing her oral request of 22 September 1977 on constituent [ ] [ ] wants to know if the Agency was involved in germ warfare or drug testing at Fort McClellan during the period 1951 to 1968. Ms. Pers agreed and said she would forward a letter.

2. (Unclassified - RJK) LIAISON Spoke with [ ] [ ] concerning his letter to me about employment prospects for him with the Agency at this time. Having checked with [ ] OP, I advised [ ] that there were no vacancies for people with his qualifications at this time. [ ] understood this and indicated that he planned to get a Masters degree in Russian area studies and brush up his language abilities with the idea that he might wish to apply at some future date. He appreciated our candid advice to him.

4. (Unclassified - DTC) LIAISON John Schelble, in the office of Representative William Brodhead (D., Mich.), called concerning a constituent who has an urgent request regarding Agency-sponsored drug testing at Kent State University. I asked Schelble to put the request in writing and a courier picked up the letter late in the afternoon.
